DETAILED ACTION

Response to Arguments

1. Applicant's arguments, filed 11/21/2007, with respect to the rejection(s) of claim(s) 1-10 under 35 USC 103(a) have been fully considered and are persuasive. Therefore, the rejection has been withdrawn.

Allowable Subject Matter

2. Claims 1-10 and 13-16 are allowed.
3. The following is an examiner's statement of reasons for allowance.
 - The prior art fails to teach an apparatus of Claims 1 and 7 that specifically comprises the following:
 - The instant application is deemed to be directed to a non-obvious improvement over the admitted prior art of the instant application and the invention patented in Pat. No. US 6,351,473, US 6,215,793 and US 6,226,322. The improvement comprises:

With regard claim 1, "wherein said means for producing said carrier constellation information is adapted to group carriers in subsets and to produce for at least one respective subset a limited set of parameter values from which constellations of each carrier in said at least one respective subset can be derived through interpolation." as recited in combination with other limitation as claimed in the claim 1, and

With regard claim 7, "wherein carriers are grouped in subsets in said carrier constellation information, and wherein said means for determining said

constellations comprises interpolating means adapted to derive constellations of each carrier in at least one respective subset from a respective limited set of parameter values that forms part of said carrier constellation information." as recited in combination with other limitation as claimed in the claim 7.

4. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
